Reply to the suggestions and comments of Reviewer

Dear Reviewer:

Thank you very much for your kind reading of our manuscript very carefully and for presenting helpful suggestions and comments. We have revised the manuscript to take all the points in your latest report into consideration. We are addressing them here.

1) *“referee’s answer”*

Our answer:

2) *“referee’s answer”*

Our answer:

Once again, we would like to express our gratitude to the respected Reviewer for the meaningful and significant comments and suggestions. We would like to sincerely ask you to reconsider our revised manuscript for publication in the International Journal of Modern Physics D.

Yours sincerely,
