Re-submission to International Journal of Modern Physics D

Title: Energy conditions of bouncing solutions in quadratic curvature gravity coupled with a scalar field

Authors: Yuki Hashimoto, Kazuharu Bamba and Sanjay Mandal

Dear Professor Parampreet Singh (Editor, International Journal of Modern Physics D):

Thank you very much for your kind consideration of our manuscript entitled “Energy conditions of bouncing solutions in quadratic curvature gravity coupled with a scalar field” [Ref.: IJMPD6984].

We would like to resubmit our revised manuscript, along with a response letter to the respected reviewer, to International Journal of Modern Physics D. We are grateful to you and the respected reviewer for the constructive and insightful comments, which have significantly improved the clarity, presentation, and quality of our manuscript. In the revised version, we have addressed all the points raised by the respected reviewer carefully and point by point. We have also highlighted all these changes in blue for the convenience of the respected reviewer. We believe that the revised manuscript addresses all concerns raised during the review process and meets the publication standards of International Journal of Modern Physics D.

We would like to again sincerely appreciate your kind consideration.

Yours sincerely,

Yuki Hashimoto, Kazuharu Bamba and Sanjay Mandal
